

BINGO

Here's a recap of a great day enjoyed by all. Forty-three enthusiasts gathered at the home of Joe and Anna Santangelo to consume pizza and play bingo. The Club raised four hundred and thirty dollars.

We were almost overcome by hunger when Joe Matonti & Maria Albright delivered the pizzas from Pizza Castle. And what a feast - extra large pizzas of anchovies, pepperoni, veggie, green chili, cheese, sausage – all delicious. Thank you Pizza Castle! Theresa Labatte arranged to have Pizza Castle make the pizzas. Joe & Anna paid for them. Salad and watermelon were also served. And just when we couldn't eat anymore Rosalba Maniaci brought out the Spumone she provided. Everyone enjoyed it immensely.

Then we all played bingo. You could hear a pin drop once we start playing. Jill Pelissero-Towns called out the numbers. You could win if you could fill in all the diagonal squares, all the squares in an outer row or column, or if you could fill in the entire card. Thanks to Agnes who gave her winnings to the Club. Thanks to all who purchased the Bingo games and ran the games.
